BOARD OF FIRE COMMISSIONERS

Public Hearing
November 28, 2017

The Board of Fire Commissioners met for a Public Hearing on November 28, 2017 at Station 46, Key Center. Chairperson Davies opened the meeting at 4:00pm with Commissioners Grubaugh, Niven, Moffett and Jensen present. Others attending the meeting were Fire Chief Guy Allen, Administrative Manager Christina Bosch (recorder) and Dee Dee Kerkes.

Chairperson Davies announced the posted purpose of this Special Meeting was to present the 2018 Budget to the public.

Chief Allen presented the 2018 Budget Presentation Document to the Board and those in attendance, stating that the staff tried to remain consistent with the format that was used for the 2017 budget presentation, as that document was very well received by the Board and the public alike.

The 2018 draft budget was then explained in its entirety, comparing assessed values, property taxes and other expected revenues and budgeted expenditures to those from the 2017 fiscal year. Each attendee was given an opportunity to ask questions pertaining to the budget and of the process used to create the balanced budget so as to allow a deeper understanding of the District's current financial position and expected changes in the 2018 operating year.

The Board thanked the staff for their continued dedication to ensure that the District remains fiscally responsible and for all the hard work that goes into creating the budget.
